

Dear Patron,

We would like to extend to you an exciting opportunity to touch the lives of educators and children within our local community. On October 24, 2009 almost 1,000 educators of young children will convene at our new fall location, The Kingdom Builder's Center (6011 West Orem, Houston, TX 77045) to enhance their professional skills and knowledge. For more than 35 years, the Houston Area Association for the Education of Young Children (**HAAEYC**) has hosted bi-annual venues to offer affordable training for teachers of young children, family home providers, child care directors and child care owners.

HAAEYC is an affiliate of the National Association for the Education of Young Children (**NAEYC**), a national organization comprised of early care and education professionals. The mission of the Houston Area Association for the Education of Young Children is to promote and support high quality care and education for young children through improved professional practice and broadened public awareness. With the rising costs of hosting this conference, as a non-profit, we seek support from community leaders to off-set the costs of this incredible event and allow you to promote your products and services. Attached is a summary of support opportunities.

Please take the time to review the reservation information. We have opportunities for you to exhibit and showcase your products and services and opportunities for marketing levels of sponsorship without attending the conference. We are also accepting samples of your products and will be happy to include them into each of our conference attendees' conference bags. Please send reservation forms by August 21, 2009 deadline to be included in our conference brochure, to the HAAEYC office at 5959 West Loop South, Suite 150, Bellaire, Texas 77401. We will still have a Friday setup, but stick around as we will have an event that evening that includes exhibitors to be present. Space is limited so sign-up before the holidays.

We hope we can count on you! If you need additional information, please contact us at (713)781-2155 or haaeyc@haaeyc.org. For specific inquiries, contact Dr. Deborah Irabor at drdeborahirabor@yahoo.com.

Sincerely,

Judi Yu, Vice President of Programs
Dr. Kathryn L. Jenkins, Conference Chair
HAAEYC Conference Committee
